Hi Pat, I don't believe we have any upcoming consultation opportunities for the Source Water & UIC Section. We're still engaged with the Seneca Nation for two UIC permits in PA and we're engaged with the Nonresponsive based on revised scope

Thanks!

Subject: FW: Semi-Annual Consultation Opportunities

Hi Everyone,
Please send me any upcoming consultation opportunities that you are aware of thru March 2022. For these opportunities, please include name and location of action, timeframe and a sentence or two about the nature of the action. Samantha Beers will be officially sending this request to Leslie shortly. Brian Hamilton sent the request to me today because the deadline is the end of October and he wanted to give us enough lead time as possible. Thanks in advance for your response. If you don't have any opportunities coming up just let me know that as well.
Thank you!
Pat

Subject: Semi-Annual Consultation Opportunities

Hello RTT!

The Division Directors will soon get a message from Samantha asking for upcoming consultation projections for the next 6 months. Please survey your Division and determine if there are any opportunities coming up through March. If there are please input them in the SharePoint Consultation Tracker spreadsheet (link below). If not, please send me a message stating so (thank you Donna for already fulfilling that request!)

If you have any questions, please reach out to me. I will be out of the office on Thursday and Friday but in all of next week and the following.

Thank you!
